

Dr. Hutton

Says

Name: You!

Date: start today

DID YOU KNOW?

In the time it takes you to read this, an incredible amount of shaping has occurred in your child's brain – forming new synapses and pruning ones not needed – neural connections that make learning possible.

Rx

Feed your child's brain, by talking, singing, playing and reading aloud together. You are your child's first and most important teacher!

Refill Daily

No Substitution

DR. JOHN S. HUTTON

Pediatrician & Research Fellow
Cincinnati Children's Hospital
