

Dr. Hutton

Says

Name: You!

Date: start today

DID YOU KNOW?

A baby's brain is amazing! Babies are born with around **100 billion** neurons. By age 3, there will be about **1,000 trillion** connections between them, shaped by early experiences.

Rx

Babies are hungry to learn! Make the most of this window of incredible brain growth, and feed your child's brain by reading aloud every day.

Refill Daily

No Substitution
