

Dr. Hutton

Says

Name: You!

Date: start today

DID YOU KNOW?

Babies are hungry to communicate. They listen before they can talk, and then between the age of 1 and 2, increase their spoken vocabulary by **100** times or more.

Rx

Talk, sing, play and read aloud for 15 minutes every day to your baby, and join in their excitement when they share new words with you!

Refill Daily

No Substitution
