

Dr. Hutton

Says

Name: You!

Date: start today

DID YOU KNOW?

By age 4, children whose parents talk to them frequently may have heard **30 million** more words than peers whose parents speak to them less often.

Rx

Help close the “word gap” by reading aloud every day. Reading aloud introduces new words, grammar and concepts that you may not use during regular speech. An average children’s picture book may have around 500 words. These add up fast!

Refill Daily

No Substitution
